

International Journal of Clinical and Pharmaceutical Innovations (IJCPI)

Copyright Assignment and Publication Agreement

Date: _____

I/We, the undersigned author(s), hereby assign, transfer, and convey exclusively to **International Journal of Clinical and Pharmaceutical Innovations** all copyright ownership in the above-mentioned manuscript, including all rights to reproduce, distribute, display, and create derivative works in all forms and media, now known or later developed.

I/We declare that this manuscript is original and has not been published elsewhere in any form. All authors have contributed significantly to the work and have approved the final version for submission. Any third-party material used in the manuscript has been properly cited, and permissions for their use have been duly obtained.

I/We grant "IJCPI" full and exclusive rights to publish, edit, and distribute this manuscript in print, online, or in any other format, without the need for any further approval from the authors. I/We also confirm that this manuscript does not infringe upon any copyright, trademark, or proprietary rights of any individual or organization and that it contains no defamatory or unlawful material.

If any objectionable, defamatory, or unlawful content is later found within the manuscript, the full responsibility shall rest solely with the author(s), and neither "IJCPI" nor its Editorial Board shall be held liable in any manner.

Authors retain the right to use the content for teaching, personal research, or future work, and may share the manuscript on personal or institutional repositories after publication, provided that proper citation to the "IJCPI" published version is included.

Submission of this signed form is mandatory for processing the manuscript for peer review and publication. By signing below, the author(s) acknowledge and agree to all terms mentioned above.
